

LETTER OF RECOMMENDATION
on establishment of the „Power-Pack Centre”
in Wojskowe Zakłady Motoryzacyjne S. A. based in Poznań
– a subsidiary of Polska Grupa Zbrojeniowa S.A.

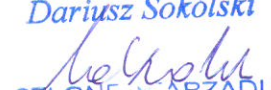

The Management Board of Polska Grupa Zbrojeniowa S.A. recommends Wojskowe Zakłady Motoryzacyjne S.A. for cooperation with business partners in the areas of engines, transmissions and Power-Pack units.

Wojskowe Zakłady Motoryzacyjne S.A. has been designated by the Polish Ministry of National Defence and the Management Board of Polska Grupa Zbrojeniowa S.A. to establish and maintain capabilities in the areas of design, supplies, maintenance, repairs and upgrades of modern drive units in Poland.

The establishment of the “Power-Pack Centre” based on the potential of Wojskowe Zakłady Motoryzacyjne S.A. in Poznan is an important element of logistic support of the Polish Armed Forces in all defense readiness conditions.

By the decision of the Management Board of Polska Grupa Zbrojeniowa S.A., Wojskowe Zakłady Motoryzacyjne S.A. in Poznan is a designated company for cooperation in the field of engines, transmissions and propulsion systems – including negotiations of cooperation with foreign business entities.
